

Summer 1 Term 2016

Dear Parents/Carers

During this half term you are invited to attend our 'Stay and Play' sessions which take place on a Friday morning from 9.am until 11.am but you can of course leave earlier than that if you wish.

The sessions will begin on Friday 8th April until Friday 20th May. Please note that there will not be a session on Friday 13th May as this is SATS week

Now the children are settled into Nursery this is a good opportunity for you to observe your child within a school environment playing and working alongside his/her peers, I think you will realise that you haven't got a baby anymore!

Please note that every other Friday starting on the 15th April the Nursery children will begin to go into the school assemblies so then the 'Stay and Play' session will begin immediately after.

Looking forward to seeing you

Kind Regards

Mrs Starkie
Mrs Meek

Mrs Holt

Mrs Copakova
