Coronavirus Update

18/03/20

Dear parents,

We are continuing to monitor and prepare for a whole school closure.

Home learning packs

By now, each child should have a home learning pack in their possession. Please check your child's bag and contact the school office as soon as possible, if you cannot find it.

These include:

- 5 library books
- A topic related set of tasks
- Maths activities
- English activities
- A work book to complete tasks/activities in (all logins/email addresses are on the front of this book)
- (R-Y6) Logins for a variety of web-based learning sites
- Y6 have 10-minute booster books for Reading and SPaG
- A suggested timetable to structure a day at home

On the reverse of this letter, you will find a list of contact emails which will become live, once school closes. There are also other important numbers that maybe useful.

We also encourage you to follow our social media sites – Facebook, Twitter, Instagram to keep in contact.

What to expect

- Each Monday, you will receive a weekly email from your class teacher, please share these with your children. Please use these email addresses to stay in touch, send photos and ask for help.
- The teachers have been asked to check and respond to emails at 10am each working day.
- Mrs Campbell and myself will monitor the Senior Leadership email, please contact us if you have any questions. We will also aim to make regular contact with you all through emails and phone calls.
- Please check your email (including Junk) each Monday morning (this will continue throughout the timetabled Easter holidays)
- If you are in financial crisis, please contact the Senior Leadership team, the local Parish and Authority are offering more and more help each day

In the event that school has to close, the communication mechanism will be:

- ☑ Text message home, followed by a more detailed emailed letter
- ☑ The school website will be updated
- ☑ The school closures section of the Council's website will be updated

The same lines of communication will be used for re-opening.

Thank you for your supportive messages, it's been a tough week.

PLEASE CHECK EMAILS DAILY FOR UPDATES

Best wishes

Nicola Drake
Assistant Headteacher
