Dear parents and children,

I am writing to you in this very different and very difficult Holy Week. Usually we would be celebrating together as a family of God, but this year we are all separated. Whether you are at home in isolation, or carrying out vital duties as key workers, we are sending you all our love. This Easter more than ever we want you to know that you are always in our thoughts, in our prayers and in our hearts.

Here is a prayer from Cafod to share with your families this Holy Week.

Jesus, you know what it's like to feel abandoned,
Lost and afraid,
Walk with us ,
And show us how to walk with others,
Who live in fear,
Show us how to pray for those,
We do not know,
And will not meet,
But who are always loved by you,
Walk with us Jesus.
Amen

We have all heard last night about our Prime Minister's admittance to intensive care, this show us the indiscriminate nature of this virus and the important reasons for socially distancing, washing our hands and staying at home. The NHS is such an important part of our country and even more so now. We hold in our prayers our leaders in their governance and guidance and all the front-line workers. We pray for healing of all those suffering with the effects of Covid-19.

We ask our Blessed mother, Mary to pray with us.

Hail Mary,
Full of grace,
The Lord is with thee,

Blessed art thou amongst women
And blessed is the fruit of thy womb, Jesus
Holy Mary, Mother of God,
Pray for us sinners,
Now and at the hour of our death,
Amen.

Please keep in touch with us by email, or on our social media pages, Facebook, Instagram and Twitter, I am in contact with all our teachers and teaching assistants every day and we have been having lots of fun putting pictures and videos on to social media to keep our spirits up. We are all sending loads of love and prayers to you and your family and the people you care about. Charley and I can't wait to see you and the rest of our school family again. St Charles Borromeo pray for us.

God bless,
