Dear parents and children,

This morning we had a meeting for all our staff (socially distanced of course). We were planning our phased reopening of our school. Thank you for making the decision to keep your children at home. As a parent myself, I know it is a difficult decision to make and I respect your decision. Home is still the safest place for our children during this pandemic. You are working your hardest to ensure our community is safe, thank you. Your love, dedication and care is heroic.

To all the teachers working tirelessly to ensure that children are cared for and still feel part of a community while they are accessing their education remotely, well done, you are truly amazing. To the teaching assistants, welfare assistants, office staff, support staff in schools, you are the glue that holds us all together and you cannot underestimate your importance throughout this crisis. You are valued so much by your schools.   To the governors who have worked hard to support head teachers and understand guidance for the safety of your school community, thank you. Your voluntary role is often neglected, you are a very important critical friend.

We will continue to provide home learning activities for your children and will be keeping in touch with you as much as we can. Please keep talking to us and let us know if there is anything that you need. We miss you and we love you and we are looking forward to the day that we can all be together again as a school community. You are always in our thoughts in our hearts and in our prayers.

School Prayer

Dear God,
Bless our school.
Bless our teachers.
Bless our pupils.
Bless our families.
Please help us to be kind and help us to always try our best.
Let us remember, as many hands make a house,
So many hearts make a school.
Amen

God bless,

E. L. Campbell

Dr C Campbell and Charley

Headteacher

As a family of God, we love to learn and learn to love
